

Youth Wingshooting Clinic February 5th and 12th Tennessee Clay Target Complex

If you are between the ages of 10 –15 and have the desire to be introduced into the shooting sports, this fun filled instructional event is for you. Professional gun instructors will be on hand not only to demonstrate the safe and proper way to handle a shotgun but show how exciting the shooting sports are. This free event will be hosted by Tennessee Clay Target Complex, Quail Unlimited, Music City Quail Unlimited Chapter, Tennessee Wildlife Resources Agency and the Young Sportsman Foundation. Shotguns (12 & 20 gauge) will be available for use. Ammunition, hearing and eye protection will be provided for the participants. To participate, you must pre-register. To pre-register please fill out the application below and select (by circling) one of the time slots you would like to have. A confirmation letter, map and directions will be sent to each participant.
